

II ENTREPRENEURS MEETING FOR A SOLIDARY ECONOMY

November 9 - 11, 2018

CONVOCATORY

"To have life in abundance it is necessary to learn to gift: not only the profits of companies, but you same. The first gift of the entrepreneur is the person himself: your money, although also important, is too much little bit. Money does not save if it is not accompanied by the gift of person."

Pope Francisco

Pablo VI classroom, Saturday, February 4, 2017

In the celebrations for the 25th Anniversary of the Economy of Communion nomination Pope Francis made a call I love all people of goodwill to multiply us, in ideas and actions to make our world a better place:

«(...) can share more the benefits to fight idolatry, change the structures to prevent creation of the victims and of the discarded; donate more its yeast to ferment the bread of many. That the "No" to an economy that kill becomes a "yes" to an economy that does live, because share, includes the poor, use the benefits to create communion. (...) You do it already; can to do it even more .»

In tune with these principles, the Movement of Focolare - jointly with the Loyola Center and the ArteCorte project- convocation to the second edition of the Entrepreneurs Meeting for a Solidary Economy, which will take place, in Casa Sacerdotal San Juan M. Vianney, appointment in street 25 on the corner of

Paseo, Havana, Cuba; on days 9 to 11 of November 2018.

The OBJECTIVE of the meeting is to offer a space for promote the practice of values and the Economy of Communion (EoC) in the projects and projects sustainable social based on four pillars:

KNOW US to learn der of our practices, difficulties and purposes in economic activities and projects, generating respect, trust and dialogue.

SHARE experiences, work methodologies, problems solution and, especially, share the values who animate our efforts.

CREATE collaboration networks between entrepreneurs, project social and business opportunities with social purposes, solidarity, collaborative and of communion.

COLLABORATE in the development and the consolidation of ongoing business ideas and projects and in conception of new ones.
